"Very easy to navigate and love that I can try frames at no cost."

Company Choice

For the selection and the return policy which makes it possible to try the frames at home.

Product Choice

Found that the smaller size was better, but preferred the satin silver color

My choice

The only place I could find men's round (circle) metal frames at a good price.

Product Choice

It's what I was looking for.

"A Re-order. Easily found my original order"

Company Choice

Have used for several orders and been happy.

Product Choice

I like the frames and prefer the glass lenses because they hold up better in the shop.

"My order went through with no issues. Lenses are good quality, I think I can see better out of these than the last prescription I got filled at a brick and mortar eyeglass store.

My eyeglasses are all cleaned up and look like new."

Company Choice

CNET reviews for quality lenses.

"The website is user friendly easy on the eyes nice and organized."

Company Choice

The only site I could find that was official and not scamming people

Product Choice

I seen these on a celebrity and fell in love with them
