Adidas Originals Sunglasses

Known for years as the leader in performance sporting equipment, Adidas presents its line of sunglasses. As can be anticipated Adidas sunglasses incorporate materials and lenses especially created for the athlete. The new adidas Originals collection brings the values ??and philosophy of sport to the world of street culture. Play becomes experience and performance is measured through the creativity inherent in each of us. Sharing is the fundamental rule of a community that interacts and collaborates, creating a new original scenario where each frame represents a unique and distinctive piece. The common vision and perspective of adidas Originals define the mosaic of a world that brings the true style of every modern sneakerhead to life. A world that bends the rules of the past to inspire an even more connected, responsible and sustainable future.
