#### **Dolomiti Vintage Sunglasses**

"Dolomiti VIntage" is a collection of new, never used, perfect condition sunglasses made in the 1960's to 1990's. All sunglasses are carefully selected for their quality components, styling, attention to detail, and were all hand made in European factories, mostly Italy, Germany, or France. These sunglasses we have procured from the "vault", archived products that have not seen the light of day since they were made 40 to 60 years ago.

Nowadys, "classic" sunglasses steal design tips from these original <u>vintage glasses</u>, and the new manufactured sunglasses are mostly made in China from low quality components. Dolomiti VIntage sunglasses are the original, true source - wouldn't you rather own the real McCoy versus a cheap knock off?
