Ann Taylor Sunglasses

Ann Taylor sunglasses get women, and the sunglasses collection embodies that concept. Ann Taylor sunglasses bring it all together for women. Real women live complicated lives - activities, roles, expectations - but what they value most is connections. Women do this by making good choices and looking and feeling good. Living with confidence and style. Ann Taylor sunglasses brings that style together into a well-rounded and balanced style in sunglasses that is unmistakeable, and has been around for more than fifty years. The Ann Taylor heritage begins in 1954, when Richard Liebeskind opened his first shop called Ann Taylor. Ann Taylor glasses and Ann Taylor sunglasses can all be customized with prescription lenses, just like all of our sunglasses.
