Jones New York Petite Glasses

Jones New York Petite glasses are a collection of incredibly sleek looking glasses frames, just like the Jones New York Eyewear, but these are specifically designed for petite women. With interestingly styled arms, especially those with tactile touches, hollowed out sections and non-traditional shapes and curves, the only problem will be choosing just one of them to complete your look. To top off this amazing selection of petite glasses, the majority of these frames also come with a hard case included and manufacturer's warranty for that extra piece of mind. Jones New York Petite glasses can all be customized with **prescription lenses**, just like all of our glasses.
