Life Is Good Glasses

Life is Good

Life Is Good Glasses

Life Is Good sunglasses come from the brand that was founded by "One van, two brothers, and three simple words: Life Is Good." In 1994, after five years of struggle, Bert and John Jacobs designed their first Life is Good t-shirt, and discovered how those three simple words could help people to focus on the good. Life Is Good sunglasses are founded on the same principle. The collection includes the same fashionable shapes and stylish colors that you might find in much more expensive, Italian-made eyewear. But with this difference: the effect is happy, not somber, joyful and playful. The popular sunglasses collection takes advantage of its heritage with some classic frame styles but it also winks at a new contemporary

dynamism. <u>Life Is Good eyewear</u> is the ideal choice for men or women with a self-confident attitude who know what they want - Joy. All Life Is Good glasses and most <u>Life Is Good sunglasses</u> can be customized with <u>prescription lenses</u> , just like all of our <u>glasses</u> and <u>sunglasses</u> .
