## **Aristar Glasses**

□ VTO Available(5)

Aristar glasses are the invention of the Charmant Eyewear, one of the world's largest and most fashionable manufacturers. Charmant has carefully built a worldwide designer reputation for stylish quality and fashionable craftsmanship. The popular Aristar glasses collection takes advantage of its heritage with some classic frame styles but it also winks at a new contemporary dynamism. Aristar glasses are the ideal choice for men or women with a self-confident attitude who know what they want. Responding to a demand for well-priced accessorising, Aristar eyewear designers took to the drawing board to create a timeless look that would appeal to many tastes while still providing excellent functionality. The result is Aristar eyewear: classically styled frames for women and men who place a high value on reliable quality and affordability. All Aristar glasses can be customized with prescription lenses, just like all of our glasses and sunglasses.
