#### Jones New York Glasses

Jones New York glasses are a collection of incredibly sleek looking glasses frames, with beautiful lines - the perfect eyewear for the woman that values high class fashion and stunning quality. Most of the sets of frames in the range show a unique twist or novel feature that not only makes the glasses stand out from other brands, but makes each frame stand out from others within the collection. With interestingly styled arms, especially those with tactile touches, hollowed out sections and non-traditional shapes and curves, the only problem will be choosing just one of them to complete your look. To top off this amazing selection, the majority of these frames also come with a hard case included and manufacturer's warranty for that extra piece of mind. Jones New York glasses can all be customized with prescription lenses, just like all of our glasses.
