Columbia Sunglasses

Columbia sunglasses were designed to change the reputation of prescription sunglasses: We should no longer think of glasses as items that only fit indoors or that cannot be taken to rough environments. Columbia sunglasses are the invention of the Columbia brand, which has carefully built a worldwide designer reputation for stylish quality and fashionable craftsmanship. The popular sunglasses collection takes advantage of its heritage with some classic frame styles but it also winks at a new contemporary dynamism. Columbia glasses are the ideal choice for men or women with a self-confident attitude who know what they want. Columbia glasses and Columbia sunglasses can all be customized with prescription lenses. As a part of

Columbia Sportswear, Columbia glasses have been designed by outdoor specialists and sporting professionals for consumers who have come to rely on this manufacturer's proven record for quality and technological advancements. At the company, Columbia glasses developed a unique diagonal secure fit system that combines comfort, fit and grip. With this collection, the company has brought their outdoor experience inside.
