# **Burberry Sunglasses**

Burberry sunglasses come from the house of Burberry, a British firm with over 150 years of existence. Burberry sunglasses are known for their innovative styles and designs, having completely captivated the arena of fashion. The house of Burberry has ensured safety to its wearer, by getting its range of sunglasses equipped with the best protective device so as to combat the harsh glares of the sun. <u>Burberry glasses</u> and Burberry sunglasses can all be customized with <u>prescription lenses</u>, just like all of our <u>sunglasses</u>. Their aviator styles, such as the <u>Burberry BE3090Q sunglasses</u>, include their iconic pattern with the traditional style of <u>eyewear</u> frame popular amongst men and women. If you're considering this style, square and heart-shaped

faces bring out the best aesthetics. However, they can work for other face shapes too, thanks to their frames being virtually rimless.
