# **Montblanc Sunglasses**

Montblanc sunglasses carry the quintissential swiss design executed in perfect precision, like the watches and writing instruments that has made them famous. Founded in 1906, Montblanc <u>began</u> its illustrious history when Alfred Nehemias and August Eberstein combined forces to create the first precision writing instrument. "Manufacturers of high-class gold and Mountain pens", Montblanc sunglasses have now established itself among the elite as the only source of quality <u>eyewear</u>. This attention to precision in a tool of daily use has been expertly translated into sunglasses, in the form of <u>Montblanc</u>

eyewear. All Montblanc glasses and most Montblanc sunglasses can be customized with prescription lenses, just like all of our glasses and sunglasses.
