Marc Jacobs Sunglasses

# **Marc Jacobs Sunglasses**

The highly successful Marc Jacobs sunglasses collection contains ten feminine and four unisex designs in plastic, metal and metal/plastic combinations. Almost every style you can imagine is included: sexy cat eyes, a nod to the past with retro octagons, rectangles and chunky double-bridge aviators. Marc Jacobs glasses and Marc Jacobs sunglasses can all be customized with prescription lenses. Marc Jacobs sunglasses details include temples sporting forked openwork, metal trim between the front and temples, and the signature metal padlock, hinging the front with the actual temples. Colors range from red and opal turquoise combined with gray lenses and such tri-color treatments as blue/white/beige in the acetates to shades of

red, white, blue, gold, ruthenium and rhodium in the metals. The Marc Jacobs sunglasses collection is a virtual rainbow of style with nods to his award-winning runway fashions. The lines are clean, the details are refined, and the quality is as highly regarded as his other fashion lines. You are in good company when you put on a pair of sunglasses with the name of one of the most desired and highly regarded fashion designers in the world. ...Read More **FILTER**
