Dolomiti Vintage Eyeglasses

"Dolomiti VIntage" is a collection of new, never used, perfect condition eyeglasses made in the 1960's to 1990's. All products are carefully selected for their quality components, styling, attention to detail, and were all hand made in European factories, mostly Italy, Germany, or France. These frames we have procured from the "vault", archived products that have not seen the light of day since they were made 40 to 60 years ago. Nowadys, "classic" eyewear steals design tips from these original <u>vintage glasses</u>, and the new manufactured eyeglasses are mostly made in China from low quality components. Dolomiti VIntage glasses are the original, true source - wouldn't you rather own the real McCoy versus a cheap knock off?
